Workplace Solutions That Take You Places

2024-25 PARTNERSHIP PROGRAM GUIDELINES

All Pollock Orora Customers in good standing during the promotion (September 1, 2024 - June 30, 2025) and at the time of the trip are able to participate. Participants must have prior approval from their corporate office. All corporate offices that specifically prohibit their operations from being involved in promotional trips are excluded from this program.

Participants must be at 21 years of age or older and have a valid passport to travel.

Trips will be awarded to Customers for the time period beginning with invoiced purchases from September 1, 2024, through June 30, 2025. Only purchases of participating Supplier products or Supplier sustainable bonus products count towards achieving your growth goal and in earning points.

Here's how you can win!

Two factors determine winning:

1. Achieving your 2024-25 growth goal to become eligible to win
2. Being one of those within your group to have the most points

Existing Pollock Orora Customers: Customers are segmented into groups based on their 2023-24 purchases and are provided a unique 2024-25 growth goal. Upon achieving your new growth goal, you are eligible to win the all-inclusive vacation.

After becoming eligible, your total points then determine your ranking within your group for winning the trip. You earn points by purchasing *any* of the participating Suppliers' products, noted within.

- **Generally, every \$1.00 you spend on products earns you 1-3 points from participating Suppliers, and (NEW) select sustainable bonus products add an extra 3 points when purchased.**
- Accumulate points faster - The higher the level of Promoted Supplier listed in this catalog, the higher the "Bonus Points" their products earn you when purchased.
- All points are awarded based on purchases invoiced during the promotion period only. No exceptions.
- A 1099 for the taxable value of the trip will be issued the January following the trip to all attendees.

Be sure to review this catalog carefully for the promoted Suppliers that help you earn more points!

New Pollock Orora Customers:

(no purchases from us in the preceding 12 months)

You will be entered into a **sweepstakes drawing** after you have **purchased at least \$25,000.00** of participating Supplier products within the promotion period.

ALL Customers also earn a sweepstakes entry for every \$5,000.00 in equipment purchases.
